## Decorative Surfaces by KVS

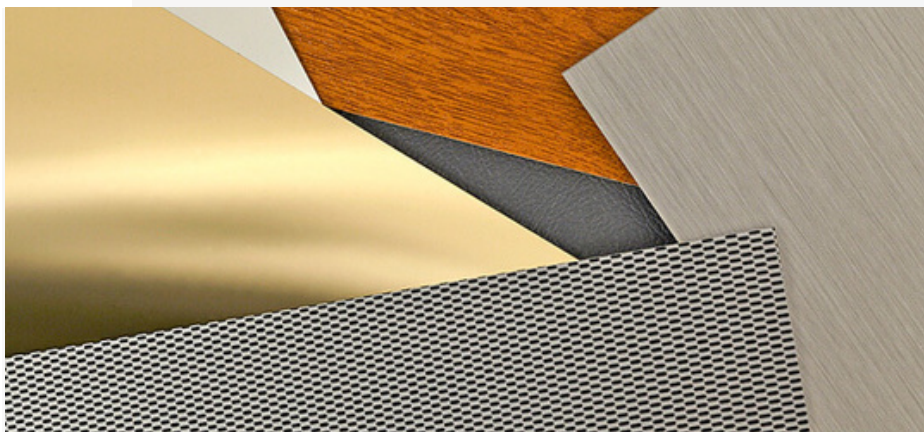

With decorative sheets based on polystyrene (SB) or ABS, there are endless possibilities for surrounding high-quality products with your elegant design or giving a molded part a natural or elegant look.

For presenting fine products as a display or packaging.  
For object furnishings, shop, trade fair and stage construction as wall or ceiling cladding.

There are almost no limits to your imagination.

A wide variety of designs, printed on scratch-resistant polystyrene or acrylic film, for online laminating or on polyester film for subsequent hot stamping.  
Please contact our team for further information.

### Decor variety

Impressive design of the highest quality and large selection:  
Wood decors, natural or high-tech design, metallic, iriodin or fantasy decors.

### Polystyrene decor or ABS decor

As a sheet or film, thermoformable, for indoor and outdoor applications, for display, packaging, tuning, suitcases, caravans, commercial vehicles, leisure equipment.
